

Attending KidVenture is a great way for kids to get a head start on learning a variety of academic concepts and is a base for learning which will give them the knowledge and confidence to do well in Kindergarten. KidVenture provides a fun, exploratory way for children to grow academically, socially and physically.

Storytelling and circle-time help develop children's language and listening skills.

Rhythmic hands on counting games provide a foundation for mathematics.

KidVenture gives young children practice with learning the alphabet. Alphabet letters and phonics are taught through various preschool activities. Kids will also be encouraged to practice writing letters, including their name and commonly used words.

KidVenture provides a base of knowledge to help transition to kindergarten including: beginning literacy, learning about math and numbers, colors and art, science, physical health and safety. KidVenture also gives kids a chance to interact with their peers, which helps to teach important social and behavioral skills.

Kid Venture Preschool

2011-2012

*"I knew when I met you
an adventure was going
to happen" ~ A.A. Milne*

At KidVenture, every day is an
adventure in learning for kids
3-5 years of age.

City of Central Point Parks
and Recreation Department

KidVenture Provides an environment that is:

- Kid-oriented
- Staffed by quality teachers
- Engages children in hands-on learning
- Promotes literacy, language development and pre-math skills
- Encourages children to explore, question and discover!

Field trip to the pumpkin patch

KidVenture Preschool- Adventure awaits your child!
